

THE BRITISH HOME FACT SHEET

THE BRITISH HOME is a non-profit, licensed Residential Care Facility for the Elderly (RCFE), providing exceptional care for our residents, and offering a unique combination of independent and assisted living for seniors of all nationalities, races and religions. We provide a full range of activities, yet are small enough to deliver personalized services, with a high staff-to-resident ratio that assures timely, effective, and personalized care.

Situated within extensive landscaped gardens with striking mountain views, our **HOME** consists of five separate cottages, each containing several individual units with private bedroom and bathroom. **EACH COTTAGE** contains beautiful and comfortable furnishings creating a pleasing ambiance; a spacious living room and full-sized kitchen is shared by the cottage residents. The relaxed and inviting atmosphere offered by this arrangement, encourages occupants to socialize and interact without giving up their privacy and independence. In addition, our central facility, **ARMSTRONG HALL**, provides an elegant communal dining and lounge area to accommodate all the residents for main meals and group activities.
